

“Wrentham, Oh Wrentham”

Music by Mike McGuire, 2023

Lyrics by Grey Almeida, Julia Haney, and Mike McGuire, 2023

Wrentham, Oh Wrentham
We stand for thee
Let's come together
Keep building history

Good people join as one
The new and the old
Remembering our golden past
Eyes on a future bold

Wrentham, Oh Wrentham
We honor you with glee
CE-LE-BRATE
Three Hundred Fifty

As we get to know you
So we grow to love you
Wrentham
Three Hundred Fifty

From the glory of the common
The center of our town
Down quiet country roads
There's beauty all around

Wrentham, Oh Wrentham
We stand for thee
Let's come together
Keep building history

As we get to know you
So we grow to love you
Wrentham
Three Hundred Fifty

Wrentham, Oh Wrentham
We honor you with glee
CE-LE-BRATE
Three Hundred Fifty

Wrentham, Oh Wrentham
We stand for thee
Let's come together
Keep building history

CE-LE-BRATE
Three Hundred Fifty

Wrentham, Oh Wrentham
We honor you with glee
CE-LE-BRATE
Three Hundred Fifty

CE-LE-BRATE
Three Hundred Fifty...
